

7th June 2019

Our Christian Value for this term is **RESPECT**

Show **RESPECT** to everyone

1 Peter 2:17

It has been lovely to welcome back everyone this week and to hear news of the holidays. A number of families have celebrated Eid this week and children have been very excited to tell us about their family celebrations. We hope that you all had a lovely time. Our value this half term is RESPECT. We will be thinking about how we can respect each other and the world we live in.

World Book Day - Next Friday we will be celebrating our Gwenfo world book day. Children are invited to come to school in their pyjamas and to share a favourite book with their friends. We will be having book themed activities around the school. Please ensure any books that are bought into school are clearly labelled with your child's name.

Sports Day - Sports Day is planned for Wednesday 12th June. We need the grass to be dry in order for the children to complete the activities safely so will be hoping for a dry few days before. We have a provisional date of 1st July for a postponed sports day if the weather is too bad. We will make a decision on this on 11th June and will let parents know via email and twitter by the end of the school day. Many thanks for your support in this and let's hope for a dry few days ahead!

Nursery parents are invited to join their children for a morning of activities on the yard and field. In the afternoon children from Reception -Y6 will be holding their sports day on the field and playground. As always we ask that parents stay within the zones spectator areas. The PTFA will be selling drinks for parents only during the day. At the end of the day staff will return the children to class and dismiss from classroom doors as usual. Please help us in this in order to safeguard all children.

Recycling - We have been successful in becoming a recycling hub for crisp wrappers. Children will be encouraged to recycle their wrappers which we can then send off to a specialist company to be recycled. We are already collecting batteries and within the school recycle food waste, paper, plastics and printer cartridges.

Newsletter

Small World Toys - Does anyone have any small world toys they would be willing to donate to the school? We are looking for a range of small plastic toys, cracker toys, fast food free gifts. They can
