

4th February 2022

Our Christian Value for this term is
Perseverance

I can do everything through Christ who
gives me strength.
Philippians 4:13

This week we have said goodbye to our PGCE students who have been with us since October. As a Lead Partnership Alliance school working with Cardiff Metropolitan University it is a wonderful opportunity to support the training of new teachers. Whilst with us they have carried out a research project looking at playtimes which they presented to senior staff. We hope to implement some of their ideas over the coming months.

Our Action for Happiness key for February is Direction. Setting goals to work towards, this fits in well with our school value of perseverance this half term. Across the school we are setting ourselves challenges and trying to reach them. Have a go at home!

Wellies and waterproofs -If you have any waterproof clothing/wellies your children may have grown out of we would be really happy to add them to our collection. Thank you!

Parking - Really sadly we have received another complaint from a member of our community regarding irresponsible parking and rude behaviour. Please park safely and considerately.

Non uniform Day 18th February - We will be holding a non-uniform day to raise funds for cancer charities. Wear your own clothes to school for the day and please donate via ParentPay.

Volunteers - Thank you to a number of parents who have kindly offered their support over the last few months. All school volunteers need an enhanced DBS check. If you would be interested in volunteering at Gwenfo please do let us know. Currently we are still restricted with visitors but we are hopeful that as restrictions change we may once again be able to welcome volunteers back to school.

Jewellery - We have noticed that more children are wearing necklaces/chokers recently and these are a health and safety risk. Please do not send children into school wearing jewellery other than stud ear-rings.
